107 responses

The library is managed and utilized effectively

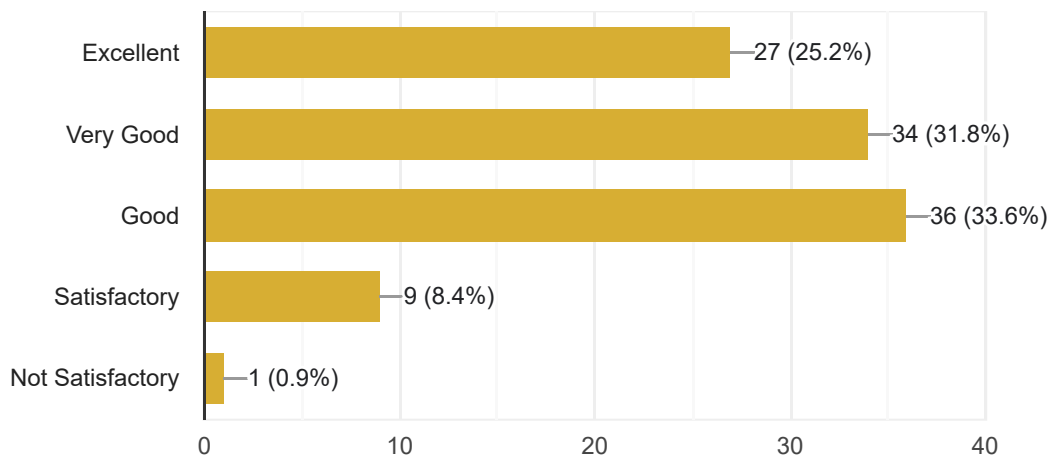

107 responses

The teachers are encouraged to conduct research activities.

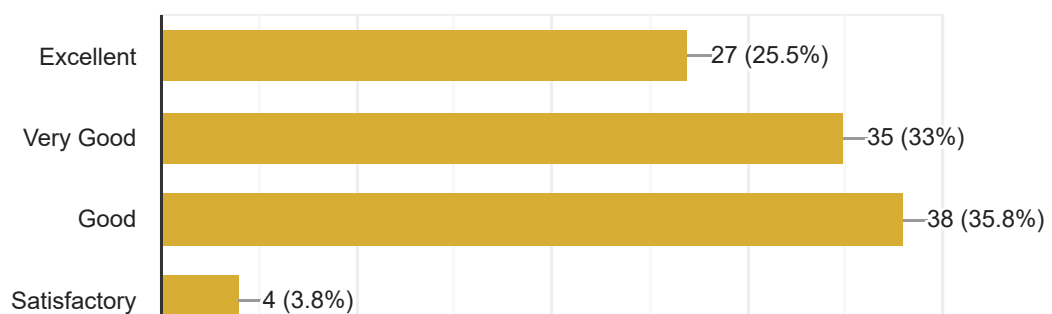

107 responses

The environment in the Campus is conducive to teaching and research

106 responses

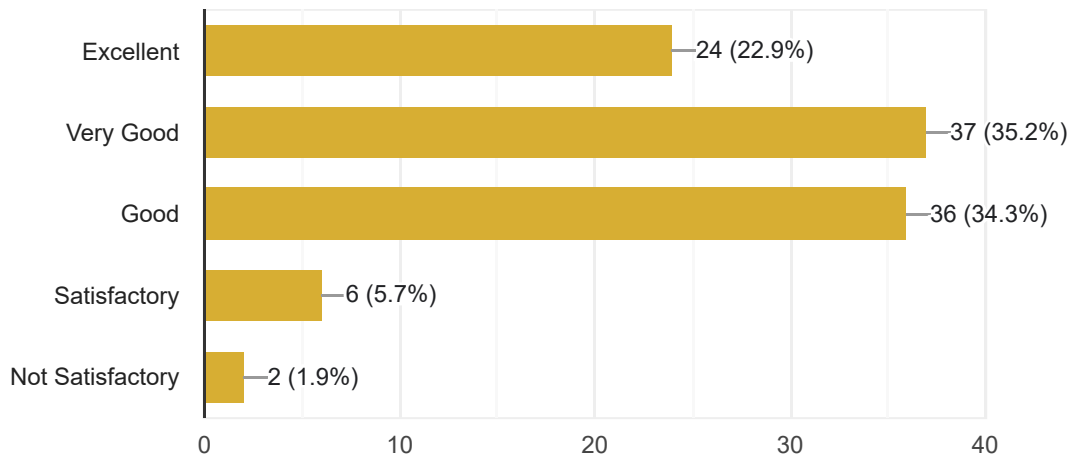

Faculty Development

Provisions for professional development are non discriminatory and fair

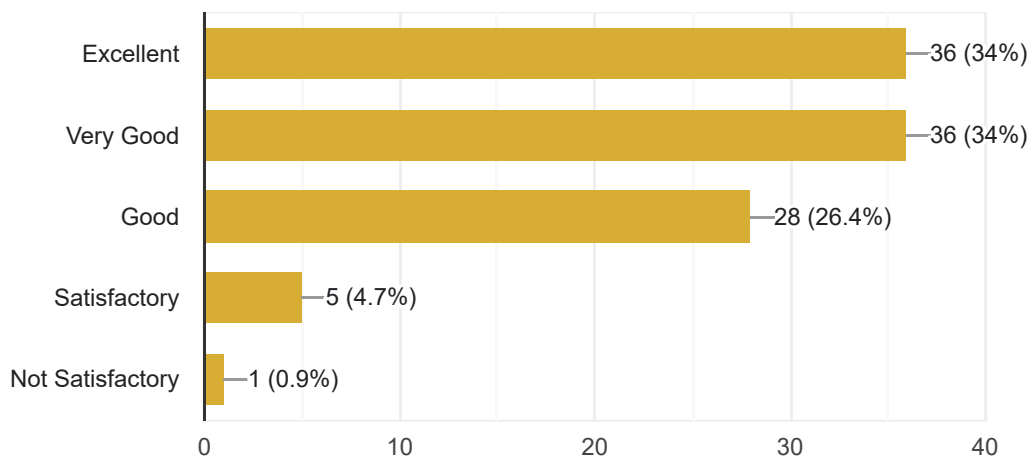

105 responses

The teachers are encouraged to undertake extension activities and to establish linkage with industry

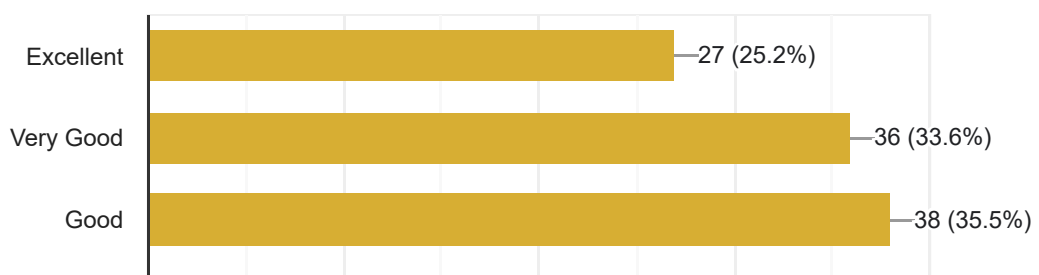

106 responses

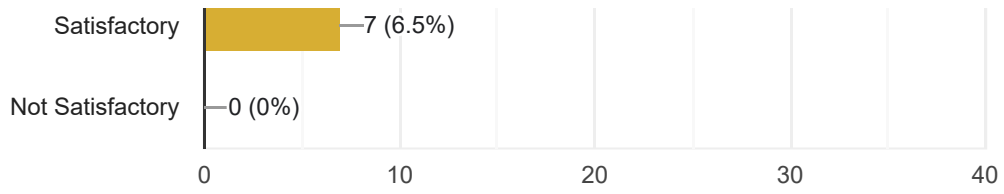

The faculty is given freedom to express their ideas and opinions

107 responses

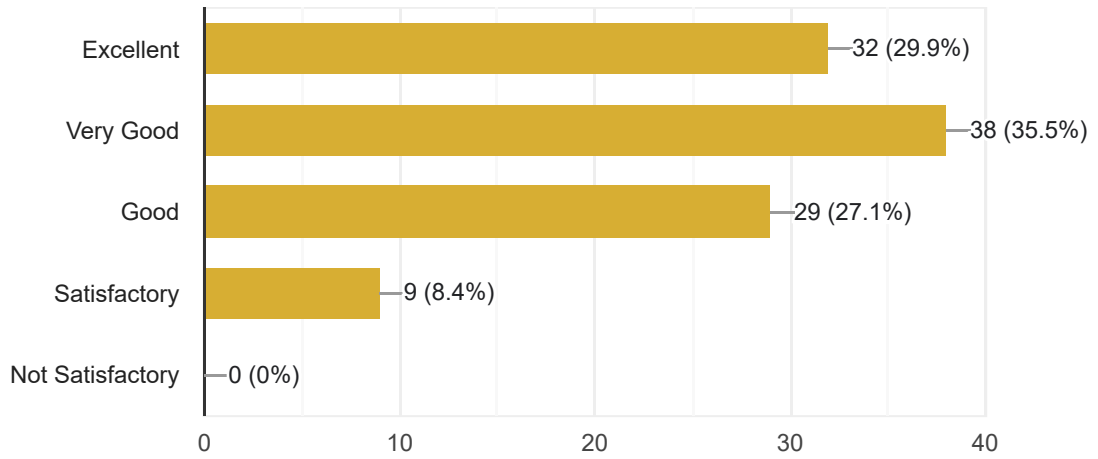

The administration is accessible and supportive

107 responses

Any other suggestion related to Infrastructure, Teaching and research or Faculty Development

41 responses

No

None

Not spacious.

Need to have some more options for students creative participation

All well

Every thing is satisfied. Conduct of FDP programs for teachers

Washrooms should be maintained properly.

Cleanliness and time for good teaching

No suggestion

no suggestion

Departmental library can be more supportive

Reliving of teachers must be only one time in a session.

All good

No thanks

Feedback from students for every subject teacher should also be considered.

Infrastructure for students requires development like drinking water facility at every floor, sitting arrangement in free lectures, administrative cooperation and guidance should be provided to the students, effective redressal mechanism should be provided for the students complaints. More opportunities should be provided for research and faculty development for teachers

The environment is teacher friendly but still more and more research-based interactive sessions should be organised

More emphasis on teaching learning process

N.A

We have required yoga hall

Good work is being done

LI well

We should improve in the fields of cleanliness n discipline. There are so many extracurricular activities that teaching takes back stage

Salary ???

Salary???

Nil

Every thing is good

Need more staf

Everything is fine

Washrooms of college need attention

Cross ventilation in classrooms to be improved

First question of this form need to be rectified as one entity may be good but not other

Excellent
