Too much Delay in salaries , unavailability of water in washrooms.

Please improve toilets cleaning and water system in toilets and also remove relieving of faculty teachers.

no

No suggestions

With due respect I would like to add that Salaries (as mentioned in the Annual contract) should be provided in time because it becomes a lot more tough to fulfill family needs without the Monetary appreciation(which we are worthy of) as we are giving our 100% as a teacher and sparing our time from other domestic responsibilities.

No suggestion

-

Give more emphasis on faculty development programs

Very good faculty

educational development
